Break Through in your Relationship

We all struggle at times in our marriage but it's not always easy to find good advice or practical help.

SmartLoving BreakThrough is an online course **FREE until St Valentine's Day**. It will help you understand how conflict happens, guide you to develop an effective strategy for managing it, and lead you through a process of personal rejuvenation designed to heal the pain caused by conflict with your loved one.

The course is designed for individual spouses so you don't need your spouse to do the course with you.
